So in an hour of live threats, the move to
endanger his threats was irresistible
(as much when Pissin agreed - except (?)
Michigan, for every reason).

Yet, it did about blow up -
though with ^{initially} ~~eventual~~ on pass
of that I but scrapped some possibility -
believing it under the control, as crisis
developed, the advantage, not to avoid
losing feedback, unless
(as if the deal omitted unlike gap).

I did not back NKE - except TS & RTVO,
and to K, obviously
An Order, was oblique.

(What did Weisman think of An Order?
Person?)

West Berlin - was essential to allowing US
to dominate (track + control with)
West Europe

US. Eur. Track with SU (Russia)
+ independence from US

(cover / dup? / propaganda:
alternative was lost ^{Eur.} independence from US)

but Eur - dependent on SU

or - domination of SU (aligning ^{like US})

or - occupation in "Warsaw Pact"

independence of SU
